**⑩ The RT200 FX Programme is an initiative of the Central Bank of Nigeria (CBN) which aims to raise \$200 billion in Foreign Exchange (FX) earnings from Non-Oil Proceeds over the next 3-5 years. It is anchored on a five-point agenda with a view to raising \$200 billion in FX earnings in the next five years. A major anchor of the program is the Non-Oil Export proceeds repatriation Rebate Scheme.**

***The rebate scheme is designed to incentivize exporters in the Non-Oil export sector to encourage repatriation and sale of export proceeds into the FX Market. It is borne out of the need to develop new strategies aimed at earning more stable and sustainable inflows of FX, in order to insulate the Nigerian economy from shocks and FX shortages***

- a. Enhance Foreign Exchange inflow.***
- b. Diversify the sources of FX inflow.***
- c. To increase the level of contribution of non-oil exports.***
- d. Ensure stability and sustainability of FX inflows.***
- e. Support export-oriented companies to expand their export operations and capabilities.***

The CBN (Trade & Exchange Department) shall be responsible for the day-to-day administration of the Scheme.

### ***1. Eligibility Criteria***

***a. Completion of e-Form NXP.***

***b. Registration with Corporate Affairs Commission (CAC) and Nigeria Export Promotion Council (NEPC).***

***c. Sale of repatriated export proceeds at the I & E Window***

### ***2. Eligible Beneficiaries***

***a. Only exporters of finished and semi-finished goods are eligible for this incentive.***

***b. Exporters shall qualify for the rebates only, where repatriated export proceeds are sold at the Investors' & Exporters' Window (I & E).***

## **3. Eligible Transactions**

***Eligible transactions that qualify for incentives under the Scheme shall be:***

- a. Export of finished and semi-finished goods wholly or partly processed or manufactured in Nigeria, except otherwise stated by the CBN.***
- b. Export of goods and services (I.T and Creative Businesses) that are permissible and excluded under existing export prohibition***
- c. Notwithstanding when the export process was initiated, the exporter will qualify for the rebate provided the exporter meets the criteria stipulated above***

## Features of The Scheme

***The Scheme shall pay***

- a. N65 for every US\$1 repatriated and sold at the I & E Window to ADBs for other third-party use, and***
- b. N35 for every US\$1 repatriated and sold into I&E for own use on eligible transactions only. However, the spread should not be more than 10 Kobo.***
  
- c. Payment of the incentive shall be made on quarterly basis. The accounts of exporters that qualify for rebates shall be credited latest one week after the end of the quarter.***

***Submission of requests shall be made through the Authorized Dealer bank (ADB) where the e-Form NXP was established. It shall be the responsibility of the ADB to authenticate all documents submitted for rebates.***

***Each request for incentive is to be accompanied by the following documents:***

- a. Written request from the Exporter***
- b. Completed Application Form (to be designed by CBN and forwarded to exporters through their ADB).***
- c. Documentation requirements for exports as stipulated in the FX Manual.***
- d. Evidence of repatriation and sale of export proceeds at the I & E Window.***
- e. Any other document(s) that may be required by the CBN***

- a. The ADB shall process all applications received to confirm the completeness of the documentation and eligibility.***
- b. Where complete, the ADB shall forward the application to the Director, Trade & Exchange Department, CBN within five (5) working days, after consummation of the export proceeds sale transaction at I&E Window.***
- c. All processed applications shall be for consideration of the Central Bank of Nigeria, through the Office of the Director, Trade and Exchange Department.***

- a. Monitoring and evaluation of disbursements to eligible exporters.***
